

## NBTA – expansion of the production and administration

September 2020

We are pleased to announce the completion of the construction of the new production hall with an area of 1500 m<sup>2</sup>!

At the same time, we have expanded our administrative and office part with an additional floor - 250 m<sup>2</sup>.

Thanks to the expansion, we will be able to separate areas responsible for the production of absorption parts for silencers with an area of 1000 m<sup>2</sup> and insulation elements for thermal shields with an area of 1500 m<sup>2</sup>.
